The baby was in a comatose state, and the eldest boy had just strength | and the eleest boy had just strength enough to say that he had had no food in two days. The children were removed to the Homocepathic Hospital and Schacufsky was locked up. Agent Meyer, of the Children's Society, who investigated the case, says that Schacufsky has been neglecting his children ever since their mother was placed in the Asylum at Flatbush two months ago. Meyer says Schacufsky earned a little money as a watch-maker, but spent it all in dissipation.
